

High-performance IT security & digital infrastructure solutions

IT SECURITY

GENDORF IT Security Consulting

Is my business IT secure? What IT security regulations, directives, and laws apply to my company? What responsibility falls on the IT department in the event of a failure?

Companies need to ask these and many other questions in the information age. InfraServ GENDORF accompanies you on the way to an IT security strategy customized for your business.

Our services:

- Develop an IT security concept specific for your company's needs
- Prepare a security requirements analysis for your business
- Comprehensive review of IT security challenges

Your experts
