MEASUREMENT, TESTING, AND MONITORING OF ENVIRONMENTAL REQUIREMENTS

Emission measurements

Tap into our experience from many completed emission measurements. Take advantage of the services performed by InfraServ GENDORF as the notified metrology authority pursuant to Section 29b BImSchG (Bundesimmissionsschutzgesetz [Federal Pollution Control Act]).

We will conduct the emission measurements you require, from recurring measurements mandated by a permit notice to acceptance test measurements, or measurements in connection with a specific cause.

Our services:

- Support for planning and installing suitable sample extraction locations
- Acceptance test measurements (pursuant to BImSchG or as a performance/ specification certification)
- Measurements in connection with a specific cause (pursuant to Section 26 BImSchG)
- Recurring measurements (pursuant to Section 28 BImSchG)
- Olfactometry
- Self-monitoring measurements
