ENVIRONMENTAL MANAGEMENT

Emergency management

In order to allow first responders, standby services, and all of your employees to work together smoothly in an emergency, we offer comprehensive services surrounding the emergency management topic.

We advise you on emergency management concepts and provide assistance for preparing concepts tailored to your specific needs.

Our services:

- Prepare emergency management concepts
- Prepare and maintain emergency response plans
- Prepare training programs for emergency management leadership
- Organize drills (alarm, staff, evacuation drills)
- Monitor drills (weakness analysis)
- Instruct employees about conduct during an incident
- 24-hour dispatch and alarm center for dispatching alarm messages and for communicating with your incident response staff

Your experts
